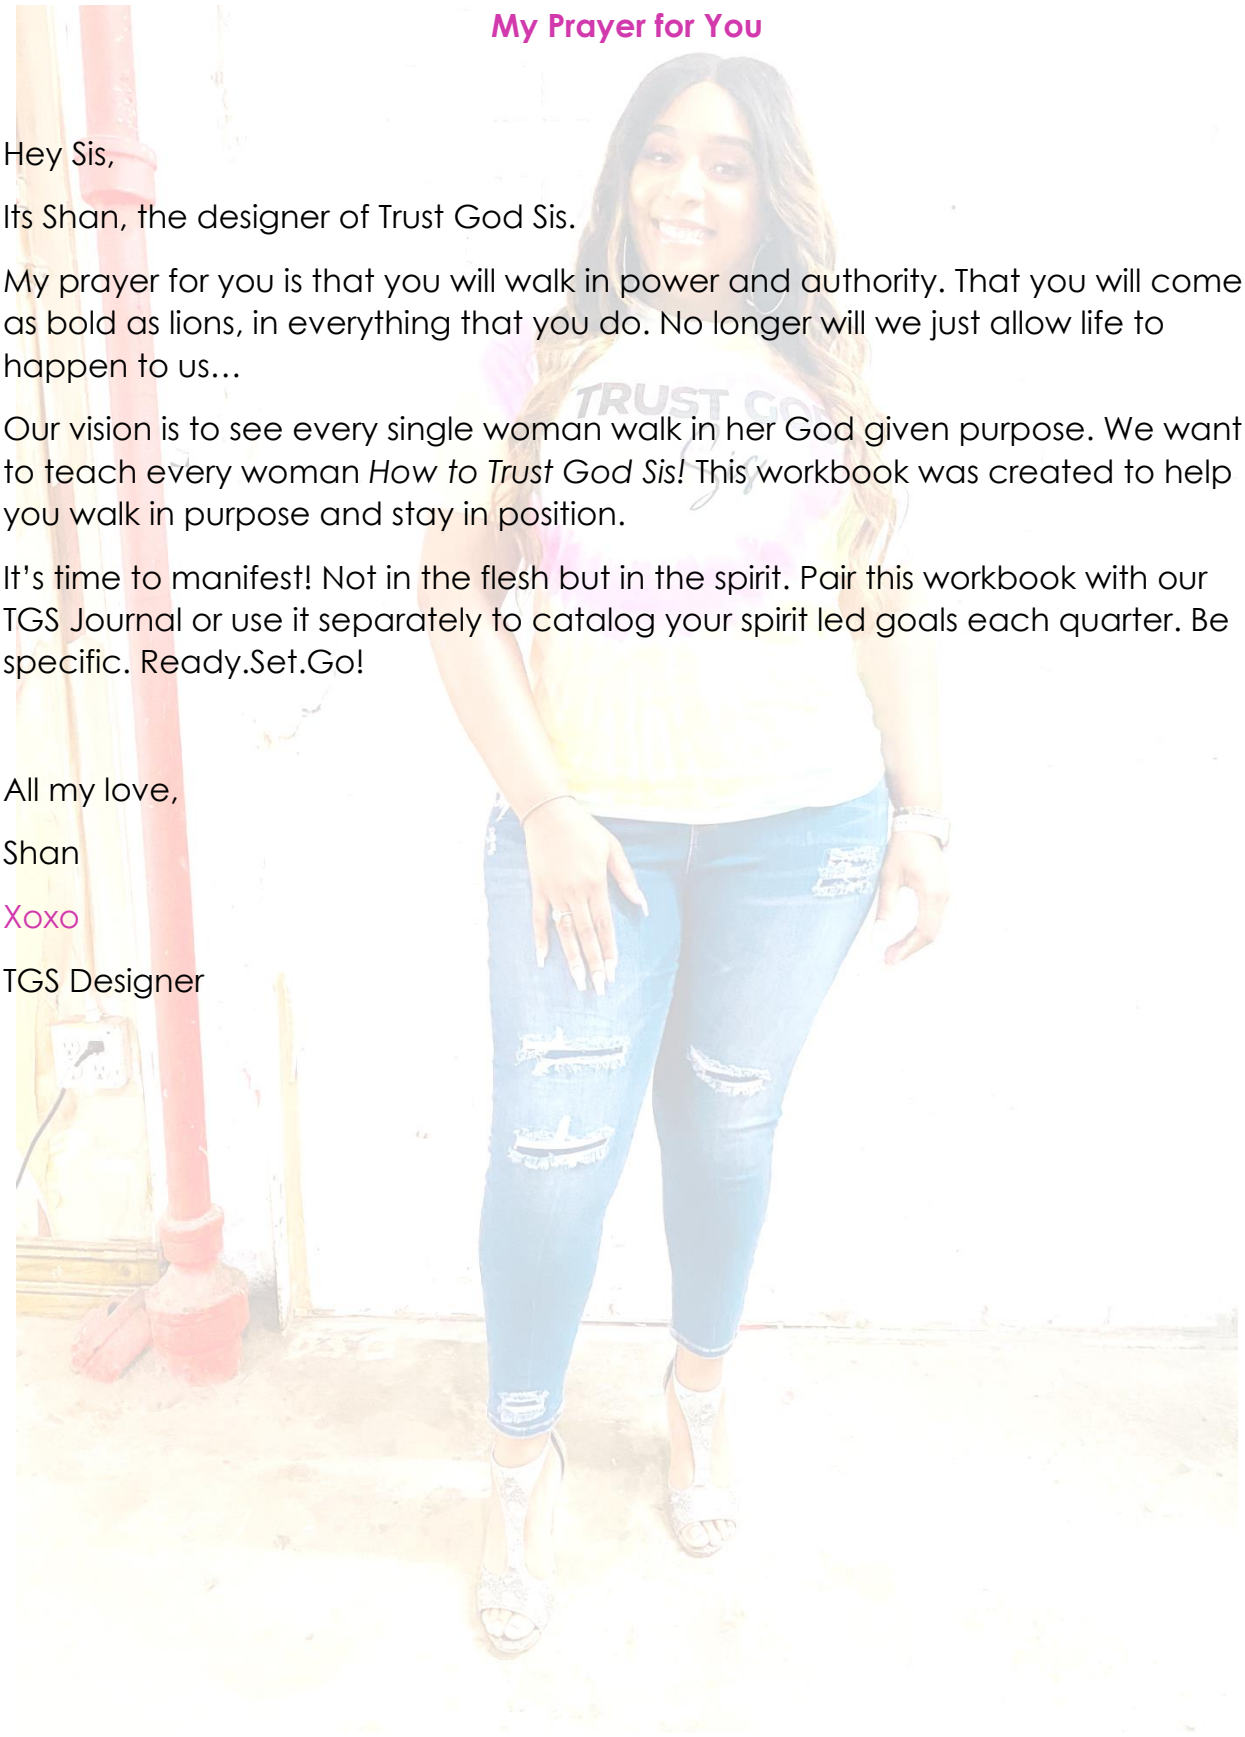
My Prayer for You



Hey Sis,

Its Shan, the designer of Trust God Sis.

My prayer for you is that you will walk in power and authority. That you will come as bold as lions, in everything that you do. No longer will we just allow life to happen to us…

Our vision is to see every single woman walk in her God given purpose. We want to teach every woman *How to Trust God Sis!* This workbook was created to help you walk in purpose and stay in position.

It's time to manifest! Not in the flesh but in the spirit. Pair this workbook with our TGS Journal or use it separately to catalog your spirit led goals each quarter. Be specific. Ready.Set.Go!

All my love,

Shan
